

TROOP 93

2008 - 2009 Calendar

'It is not the critic who counts, not the man who points out how the strong man stumbles, or how the doer of deeds could have done better. The credit belongs to the man who is actually in the arena; whose face is marred by dust and sweat and blood; who strives valiantly, who errs and comes short again and again; who knows the great enthusiasms, the great devotions, who spends himself in a worthy cause; who at best knows in the end the triumph of high achievement; and who, at worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who know neither victory or defeat.' *Franklin Roosevelt*

'Whether you think you can or you can't, you are right.' *Henry Ford*

'You do not lead by hitting someone over the head - that's assault, not leadership!' *Dwight D. Eisenhower*

'Setting an example is not the main means of influencing another, it is the only means.' *Albert Einstein*

'First we must understand that there can be no life without risk - and when our center is strong, everything else is secondary, even the risks.' *Elie Wiesel, Holocaust Survivor and Nobel Laureate*
