Title: All Star

Somebody once told me the world is gonna roll ya  
I ain't the sharpest tool in the shed  
She was lookin kinda dumb with her finger and her thumb  
In the shape of an "L" on her forehead

Well, the hits start coming and they don't stop coming  
Head to the rules and ya hit the ground running  
Didn't make sense just to live for fun,  
You're brain gets smart but your head gets dumb  
So much to do so much to see  
So what's wrong with takin the backstreets  
You'll never know if you don't go  
You'll never shine if you don't glow

Hey now, your an All Star, get your game on, go play  
Hey now, your a Rock Star, get the show on, get paid,  
And all that glitters is gold  
Only shootin stars break the mold

It's a cool place, and they say it gets colder  
You're bundled up now wait til you get older  
But the media men beg to differ  
Judgin by the hole in the satellite picture  
The ice we skate is gettin pretty thin  
The water's gettin warm so you might as well swim  
My world's on fire, how about yours?

Cuz that's the way i like it and i never get bored

Hey now, your an All Star, get your game on, go play  
Hey now, your a Rock Star, get the show on, get paid,  
And all that glitters is gold  
Only shootin stars

Somebody once asked could I spare some change  
I guess I need to get myself away from this place

I said yep, what a concept, I could use a little fuel myself  
And we could all use a little change

Well, the hits start coming and they don't stop coming  
Head to the rules and ya hit the ground running  
Didn't make sense just to live for fun,  
You're brain gets smart but the head gets dumb  
So much to do so much to see  
So what's wrong with takin the backstreets  
You'll never know if you don't go  
You'll never shine if you don't glow

Hey now, your an All Star, get your game on, go play  
Hey now, your a Rock Star, get the show on, get paid,  
And all that glitters is gold  
Only shootin stars break the mold
